get involved

FIRST TIMERS

and students are invited to attend an introductory session on Thursday following the opening banquet.

Dr. Rhonda Pruitt and others will offer a practical introduction to MHM, which frames the core values that direct the conference and its format. They will also address paths, models, and key steps for getting involved as a mental health practitioner serving the missions community.

R&R FAIR

is an interactive venue for sharing relevant research and ministry resources. Held Saturday night, the fair showcases 20-30 organizational resources, literary reviews, and presentations of research.

Share your valuable knowledge and organizational connections with the MHM community! To participate, download the R&R Reservation Form from our website and return it to events@mti.org.
